IN MEMORIAM

PAULETTE— In loving memory of our son, Howard T. Paulette, who died five years ago today, August 19, 1950.

Beside your grave I often stand,
With heart both crushed and sore;
But in the gloom the words come,
"Not lost, but gone before."
God knows how much we miss you,
He counts the tears we shed;
And whispers, He only sleeps,
Your loved one is not dead.

So we will be brave, dear Howard,
And pray to God each day;
And when he calls us home,
To you, your smiles will guide the way.
—Your Mother, Dad, Sister, Brother.

"OLD RELIABLE" INTO A FLASH OF FIRE!

Great Features back up Chevrolet Performance: *Anti-Dive Braking—Ball-Race Steering—Outrigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices in all models—and, finally, the great scientific, technical and engineering resources of General Motors.*

Take a drive in the new Chevrolet
and see how new the new Chevrolet really is.
We can almost guarantee that when you try it,
you'll think you're driving a car costing twice as much.
"Old Reliable" is red hot.

We wager that the first thing you'll say when you drive the new Chevrolet is: "Who changed 'Old Reliable' into a flash of fire?"

For years and years, Chevrolet has given you those qualities of materials and workmanship that make it the best investment in its field . . . and now added to all that is *performance* so outstanding that it has licked —and licked proper—*all* its rivals in contests that show who's boss of the '55 cars.

Proof? You bet. Lots of it: In official NASCAR* Trials Chevrolet out-accelerated all low and medium-priced cars and every high-priced car but one!

Yes, sir! Flash of fire! That's why we ask you to try Chevrolet before you buy *any* car.
